CARPET CARE

DEDICATED TO MAKING YOUR BUSINESS LOOK AND RUN ITS BEST

Your carpet is often the first impression you make when someone walks into your building. Make sure you look your best and maximise your carpet investment with the unrivalled carpet cleaning services of ServiceMaster Clean®.

Continued care.

Get the most out of your carpet. Our programs for continued care use innovative products and techniques along with the manufacturer's latest care instructions to extend the life of your carpet and keep it looking clean and fresh. We help prevent dirt from building up in the carpet fibres and avoid the dull, lifeless look of carpets that are cleaned too infrequently. Routine carpet care also prevents matting, spotting and excessive wear, leaving a more consistent and pleasant appearance overall.

Enjoy a better-looking carpet and avoid the cost of frequent replacement, all for a low monthly investment. Plus our clear, manageable fees eliminate surprises or increased costs from one cleaning to the next.

Commercial speciality cleaning.

We have the experience and most advanced methods and materials for maintaining your carpet's appearance and your company's image. That's why thousands of businesses depend on ServiceMaster Clean® nationwide for commercial speciality cleaning needs.
