ServiceMASTER Clean®

Above & Beyond

A TRADITION OF EXTRAORDINARY SERVICE

Our Foundation.

In 1929, Marion E. Wade founded ServiceMaster ®, a mothproofing business based out of his home in Chicago, in the United States. ServiceMaster then expanded to carpet cleaning in 1937 and established one of America's first franchise businesses in 1952.

Today, ServiceMaster is a trusted industry leader, serving more than 10.5 million customers with locations in the United Kingdom, United States, Canada and 14 countries around the world. We operate under several well-known and respected brands with a network of over 5,500 company-owned locations and franchised licenses.
