ServiceMASTER Clean®

Above & Beyond

A good cleaning provides your building with the finishing touch.

When your commercial construction is complete, look to ServiceMaster Clean® to provide the final thorough and detailed cleaning that's needed after construction debris has been removed. With over 50 years experience, we have developed the most advanced products and methods to make your property shine.

Our staff is dedicated to going above-and-beyond service expectations, with resources readily available to do the job quickly and effectively. We will work as an extension of your staff to make your building look its best.

Post-construction cleanup tasks include:

- Dusting air diffusers
- Cleaning lights
- Damp cleaning restroom fixtures
- Spot cleaning walls
- Spot cleaning interior glass
- Vacuuming and spot treating carpets
- Damp mopping hard-surface floors

In addition to the basic services, we can also perform specialty cleaning services, such as window cleaning, floor finishing and deep carpet cleaning.

Once you have completed your construction or remodel, ServiceMaster Clean is your ideal partner to provide ongoing cleaning services based on our intimate knowledge of the building. Be sure to recommend us!

Great looking buildings deserve extraordinary service.
